

MARCH 2020

86th Annual Meeting Notice and Invite

Due to the current requirements for social distancing we are postponing our Annual Meeting that was originally scheduled for March 31st, 2020.

An updated meeting date will be posted on our website and new invitations will be issued once we that date has been determined.

Until then, stay home and stay safe!

We Care: Covid-19 Safety Precautions

The Staff and Board of Service Credit Union want to assure you we are putting our plans in action to protect our members, employees and their families against the Coronavirus (COVID-19)

At this time, we plan to remain open for members to come into the office for services. We are regularly sanitizing work surfaces, pens and chairs. We encourage members to use good hygiene practices as well. If you do not feel well please do not come in to the office.

Your account information is available 24/7 with our online access at **service-cu.com**. You can check balances, transfer funds among your SCU accounts and request withdrawals mailed to home.

SCU will keep you updated of any additional changes as the current situation develops. We have contingency plans in place to continue to operate safely and to ensure you continue to have access to your accounts.

If you experience a financial hardship during this time, please call us to discuss your situation and learn how we can help.

eStatement

We are really encouraging members to sign up for online banking and eStatements. We usually send most of our statements through company mail to save on postage costs. With the current **Safer at Home** order we may have to mail all statements postal. This requires more time and costs more money.

Please take the time to sign up for the eStatements. It means less paper for you, quicker delivery of your statement and ultimately saves us all money.
