Donation to Paul’s Pantry

While 2020 was a disappointing year in so many ways, the credit union was able to remain positive. We were fortunate enough that no staff members contracted COVID and we remained open for business as usual. We were profitable enough to have considerable income.

Since the credit union philosophy is “People helping People”, the Board chose to support Paul’s Pantry with a \$2,500 donation on behalf of our members.

Thank you for making 2020 a successful year for SCU. We look forward to a

First mortgage loans

Contact us for your mortgage needs.

We are able to offer first mortgages through our partnership with AmeriCU. They can help you with a home or land purchase or a mortgage refinance that is over our limit of \$200,000.

AmeriCU is a mortgage company exclusively for credit union members. They have the same philosophies as SCU about member service, rates and fees.

If you are interested in using the equity in your primary residence, we offer a couple types of home equity loans that we service.

Use the convenience of a HELOC (Home Equity Line Of Credit) with a variable rate or lock in your rate with a

Sallie Mae Student Loans

We've partnered with Sallie Mae® to offer loans created specifically for the needs of undergraduate and graduate students, and their parents. When scholarships, grants, and federal student loans aren't enough, these loans can help you get the money you need.

Get the money you need for school

- Multiple repayment options
- Competitive variable and fixed interest rates
- No origination fee and no prepayment penalty
- Borrow up to 100% of all your school-certified expenses for the entire year like tuition, fees, books, housing, meals, travel and even a laptop.
- Applying is easy

Consider a cosigner if you are a student borrower. Student borrowers who don't have a strong credit history may have a better chance of approval by adding a parent or other creditworthy person. Student borrowers may apply to release their cosigner from the loan after they graduate, make 12 on-time payments and meet certain credit requirements.

Mailing payments or deposits

If you use bill pay to send deposits or make loan payments you will need to update the address with your financial institution to avoid delays.

The new address is 2850 S. Ashland Ave, Green Bay, WI
