SHARE ACCOUNT

HOLIDAY ACCOUNT

These share accounts are variable rate accounts. This means that the rate may change after the account is opened.

There is a minimum balance of \$25.00 required to earn the annual percentage yield disclosed on a regular share account. This requirement does not apply to the Holiday Account.

The minimum balance to open either a Share Account or a Holiday account is the purchase of a \$5.00 share in the Credit Union.

The annual percentage yield is accurate as of November 1, 2022.

We may impose a \$25.00 fee for early withdrawal from the Holiday account before the date of disbursement. This fee could reduce the earnings on the account and affect the APY earned.

SHARE CERTIFICATES

The annual percentage yield is accurate as of November 15, 2022

A minimum balance of \$2,500.00 is required to open the following accounts in addition to the purchase of a \$5.00 share in this credit union.

We offer two share certificates: 182-day certificate and a 365-day certificate.

We may impose a penalty if you withdraw any of the funds before the maturity date. The penalty will equal 90 days dividend calculated on the entire account balance.

SHARE DRAFT ACCOUNT

There is a minimum balance of \$100.00 required to open the account and the purchase of a \$5.00 share in the credit union.

No dividends will be calculated or paid on this account.

Dormant account fees may apply for the Share Account and Share Draft account. See our Truth in Savings Disclosure for more information.
