### **SHARE ACCOUNT / HOLIDAY ACCOUNT**

- These share accounts are variable rate accounts. This means that the rate may change after the account is opened.
- There is a minimum balance of \$25.00 required in order to earn the annual percentage yield disclosed on a regular share account. This requirement does not apply to the Holiday Account.
- The minimum balance to open either a Share Account or a Holiday Account is the purchase of a \$5.00 share in the Credit Union.
- The annual percentage yield is accurate as of November 19th, 2024.

We may impose a \$25.00 fee for early withdrawal from the Holiday account before the date of disbursement. This fee could reduce the earnings on the account and affect the APY earned.

### **SHARE CERTIFICATES**

- The annual percentage yield is accurate as of November 19th, 2024
- A minimum balance of \$1,000.00 is required to open a 182 day or 365 day, share certificate, in addition to the purchase of a \$5.00 share in this credit union.
- Special terms and rates may also be available (see rates)

We may impose a penalty if you withdraw any of the funds before the maturity date. The penalty will equal 90 days dividend calculated on the entire account balance.

No dividends will be calculated or paid on this account.
